### AN OBJECT LESSON.

Now that it is all over, we can think back on the past few weeks and see how things have been done in this county. The Democratic blackguard sheet in this city has tried in every conceivable manner to poison and contaminate the minds of the people by publishing day after day things which were wholly false and it knew them to be untrue when it published them. It carried its vituperation almost to the point where forbearance ceased to be a virtue. Ever since the Times succeeded in defeating A. L. Lehman for mayor of this city in a campaign of low down, vulgar personal attacks, it has catered to that sort of campaigning. But the people are getting wise to its methods and are learning more and more that what it says cannot be relied on. Only last night, when it had no earthly grounds upon which to make such an assertion, it stated in an extra at 10 o'clock that Riley had carried this county. That Hammond and Downs were sure winners and that the chances were bright for the election of the whole Democratic ticket. Just what its object could be in thus attempting to deceive its own people seems hard to understand. The West Virginian feels that it owes an apology to its readers for the things it has seemed compelled to say in this campaign in self defense, but the vote of yesterday shows that the people approve our course and we rejoice that the time has come when political lies can't win elections. The people know now how much confidence to put in the utterances of the Fairmont Times and we are glad they have found it out.

The Times has always taken a great deal of pride in defeating A. L. Lehman and Harry Shaw and hoped by the same contemptible methods to defeat Jacobs and Cordray. The Times is forever dead in Marion county.

The Republican "ring" is big enough to admit a sufficient number of Republicans to lick the stuff out of the Democrats and the bellyaching Republicans. It is dangerous to monkey with a buzz saw when in motion.

Where are the personal property books? Where are the registration books? Where are the dog tax books? Where are "Pap" and "Walt"?

THE WEST VIRGINIAN'S PART. The West Virginian does not desire to blow its own horn unduly but we believe that the people will give it credit for having taken a very conspicuous part in bringing about the great Republican victory won in this county yesterday. For about six weeks we have been running each day 4,000 papers and they have gone to all parts of the county. We have offset and upset the Democratic falsehoods sent out from this city and upheld the Republican cause in a manner that Republicans can't help but appreciate. We helped the tax ticket tell the story by publishing the names of about 3,000 voters whose taxes were reduced by the new laws and we explained in a very careful manner just how the Republicans propose to take care of the interests of the people. It is a matter of personal gratification that the people have shown an appreciation of the fight the West Virginian has made. It has made the paper stronger than ever before and to-day it has friends by the thousands in this county who believe in its sincerity, honesty of purpose and devotion to the cause it espouses. We are proud of these friends and the result of yesterday encourages us to renewed endeavor.

The Republican victory yesterday proved conclusively that the people of Marion county have gotten on to the Fairmont Times at last. The cutting of Jacobs and Cordray at a few places yesterday was by the personal influence of its Democratic henchmen and a few renegade Republicans.

Mannington district has very little respect for the Fairmont Times. After all the venomous things said about J. M. Jacobs and the contemptible cartoons, he carried Mannington district by a larger majority than Mr. Hubbard, Bailey or Cordray.

The Times still continues to prevaricate. It said this morning that the Democrats carried the city of Fairmont. Look at the official figures and see for yourself. They didn't carry a single ward in the city, let alone the whole city.

If the Republicans can extract any comfort from the result they are welcome to it.—Wheeling Register.

Thanks, we think we can.

There are a few Republicans who can't rejoice over the victory in this county. We feel sorry for them, but it is their own fault.

We guess Harr and Jacobs and Mason can vote for Harry Shaw for clerk of the House of Delegates if they want to.

Commissioner Cordray gets the contract to sell grain and flour to the county for another term of six years.

They said Republicans couldn't win unless they bought it, but they have another thing coming.

Democratic lies don't go among intelligent people. Fairmont Times, please observe.

### THE LOSERS

From the Baltimore Sun. Patient, plodding, hard and true. Day by day and year by year. Hoping, trusting, striving, too. Against the shadow and the fear. Brave and bright and high and sweet. Turning, when they lose, to go face to face with grim defeat. Forward in the way they knew—Hail the losers in the strife, Soldiers of the golden life!

Some are cast by fate to win. Some have touched the holy charm; Face to face with roar and din. Bold of heart and strong of arm; Little wonder that they smile. Little wonder that they sing. Rayed with roses every mile. All their journey bright with spring. Hail the losers who laugh, too, Rising hopeful, trusting, true!

Merry hearts have those that lead. In the hurly-burly sweet. Crowned with wealth of golden deed. Shod with wings of winning feet; But the smile that wreathes the soul Of the losers in the race, And the songs that round them roll, And the light upon their face—Hail the losers, every one, Meeting loss with smile and sun!

Hail the losers—hearties of steel, Comrades of the common road. Struggling, striving, though they reel With the unrelenting load; When they come with smile and song, When they rise from cross and care, God! how beautiful and strong; God! how wonderful and fair! Hail the losers in the strife, Soldiers of the golden life!

### POINTED PARAGRAPHS.

From the Chicago News. A bald head doesn't always generate bare facts.

If people are the right kind, they are never unkind.

Misery loves company—and it never has that lonely feeling.

Patience isn't necessarily a virtue; more often it's a necessity.

Spilled milk of human kindness is the only kind worth crying over.

What this country needs is a political party without any politics in it.

A figure of speech doesn't cut much of a figure with the tailor-made woman.

When a wise man has occasion to call any one a liar he uses a long distance phone.

Later on you may have an opportunity to walk on the pavements made of your good intentions.

When a woman asks a man how old he thinks she is, he is justified in not giving voice to his real thoughts.

It doesn't take a very smart man to guess the rest of a story after a woman has told one-third of it.

A man seldom works as hard at any other time as he does just before he goes on his vacation or just after he returns.

During the courtship a young man gazes into a girl's soulful eyes and admires her dimples, but he's apt to overlook her chin.

# NUMBERS ARE INTERVIEWED

SWARMS OF HUMANITY VISIT COOPER'S ST. LOUIS HEAD-QUARTERS.

ST. LOUIS, Nov. 7.—In view of the enormous sale of Cooper's preparations now going on in this city and the intense interest which Mr. Cooper has stirred up since his arrival, a representative of the Globe-Democrat spent Monday afternoon at the young man's headquarters, watching the swarm of humanity come and go.

During the afternoon, the reporter interviewed many of the callers and obtained statements from all who cared to give the mas to their experiences with Cooper and his preparations.

The following are selected from those statements as being typical of the general expression of the people seen:

Mr. W. T. Bray, living at 1120 Angelle St., when interviewed, said: "I had suffered for years with stomach, liver and kidney trouble, seven years, in fact. I had tried many remedies, but obtained no help from any medicine I took. I bought one bottle of the New Discovery medicine and one of the Quick Relief. After using them one week, I felt so wonderfully improved I can hardly believe it possible. I am very grateful to Mr. Cooper. He has a wonderful medicine."

Another caller was Mrs. Clara Yohe, living at 1610 Locust St. She said: "I had suffered with stomach trouble for several years. I was so bad the last year I could not eat anything at all. I could not digest my food and had severe pains in my stomach most of the time. I did not sleep well and had severe headaches at times. I have tried many remedies, and have been to a number of physicians. I bought some of your preparation, and after using it a few days, I feel so much better. I am very grateful to Mr. Cooper for his non-partisan 'judicially nominated'."

Massachusetts has re-elected Curtis Guild, Republican, as governor, over District Attorney John B. Moran, of Boston, who was the candidate of the Democratic party, the Independence League and the Prohibitionists.

In Chicago it was estimated that the Independence League ticket polled 40,000, but there was a Republican plurality for the State ticket.

Pennsylvania has elected Stuart Governor over a fusion opponent by the usual Republican plurality.

Michigan, Iowa, New Hampshire, North Dakota, Connecticut, Minnesota, Indiana, and Wisconsin have although there was some falling off from the usual vote in Iowa.

Nebraska shows big Republican gains. Ohio also shows Republican gains over the Patterson vote of last year. The Republicans expect a plurality of 75,000 in the State.

The constitution of the new State of Oklahoma will be written by Democrats. The Indians voted the Democratic ticket almost solidly. Oklahoma also went strongly Democratic in choosing delegates to the constitutional convention.

Governor Hoch is re-elected governor in Kansas by a slightly reduced majority.

Congressman Nicholas Longworth was re-elected in Cincinnati.

Congressman J. W. Wadsworth, for many years chairman of the house committee on Agriculture at Washington was defeated in the 34th New York district.

The Republicans carried Utah, Wyoming and Washington and seems to have lost Nevada, while both parties are claiming Colorado.

Preventics, as the name implies prevents all Colds and Grippe when "taken at the sneeze stage."

Preventics are toothsome candy tablets. Preventics dissipate all colds quickly, and taken early, when you first feel that a cold is coming, they check and prevent them. Preventics are thoroughly safe for children, and as effective for adults. Sold and recommended in 5 cents and 25 cent boxes by E. A. Billingslea & Co.

## HAD A FIGHT

SOAP MAN HAD SCRAP WITH LOCAL MERCHANT IN THE POST-OFFICE THIS MORNING.

A fight occurred this morning in the local postoffice in which a representative of Fel's Napha Soap Company and a local merchant were the participants. The men had trouble yesterday and the merchant threw the soap vendor from the merchant's place of business. This morning they met in the postoffice, where there was more trouble.

Policeman Gould was soon on the trail of the soap man. Although he was a stranger to the officer, Gould succeeded in running him down in four hours. Gould went to work on the case at ten o'clock and by two o'clock he had his man before the mayor. This was fine work.

Mayor Arnett fined the man seven dollars.

The new Pure Food and Drug Law will mark it on the label of every Cough Cure containing Opium, Chloroform, or any other stupefying or poisonous drug. But it passes Dr. Shoop's Cough Cure as made for 280 years, entirely free. Dr. Shoop all along has bitterly opposed the use of all opiates or narcotics. Dr. Shoop's Cough Cure is absolutely safe even for the youngest babe—and it cures it does not simply suppress. Get a safe and reliable Cough Cure, by simply insisting on having Dr. Shoop's. Let the law be your protection. We cheerfully recommend and sell it. E. A. Billingslea & Co.

### REFLECTIONS OF A BACHELOR.

From the New York Press. A woman thinks it is very unreasonable to expect her to be reasonable. A good way to cure yourself of gambling is not to have anything left to gamble. The worst about a woman's buying a ribbon is all the clothes she has to buy to match it. Lots of men can run railroads and trusts, but it takes a genius for manipulation to marry off seven daughters.
